

Turner Striffler, Secretary on the Board of The West Milford Players, presenting a check to Kristin Leesment, Director of Development of the Alzheimer's Foundation of America in NYC. Their mission is "to provide optimal care and services to individuals confronting dementia, and to their caregivers and families—through member organizations dedicated to improving quality of life." The West Milford Players donated \$500.00 to this charity. The money was raised by the Players contribution and donations received at their February performances of "Flamingo Court" which ran for six performances at the Hillcrest Community Center and one show they "took on the road" to the Grange at Bald Eagle Commons.

Other charities that have benefited from The West Milford Players donations in the past include USO Care Package, The Prostate Cancer Foundation, The Danny Gilligan Medical Fund, Homes for our Troops, The Make a Wish Foundation, The Senior Adult Services in West Milford, The West Milford First Aid Squad, The West Milford Welfare Dept. and The Pride and Erase Organization.

Their next charity program will be for The Seeing Eye: More Than A Place. The Seeing Eye, Inc. is the oldest existing dog guide school in the world. Twelve times a year, as many as 24 students at a time visit the Morristown, N.J. campus to discover the exhilarating experience of traveling with a Seeing Eye® dog. This collection will be made at their production of "The Jungle Book, kids" performed at the Hillcrest Center, May 13, 14, 15, 20, 21 and 22.
