

## FOR IMMEDIATE RELEASE

Turner Striffler, Board Member of The West Milford Players, presenting a check to Stacie Wells, Marketing/Operations Manager and Brian C. Whiting, President & CEO of the USO of Metropolitan New York.

The West Milford Players organization donated \$500.00 to the “Operation USO Care Package” program last Friday. \$265.00 was from donations by the audience of their production of “Noises Off” which ran for eight performances in February at the Hillcrest Center. The balance was donated by The West Milford Players.

The USO Care Packages are distributed to deployed military personnel. They include snacks, entertainment items, toiletries, sunscreen and other items requested by troops. They also include a personal message of support and encouragement.

Other charities that have benefited from The West Milford Players donations in the past include The Make a Wish Foundation, The Senior Adult Services in West Milford, The West Milford First Aid Squad, The West Milford Welfare Dept. and The Pride and Erase Organization. Their next charity program will be for A.S.P.C.A and The West Milford Animal Shelter. This collection will be made at their production, “Willy Wonka and the Chocolate Factory” performed at the Hillcrest Center, May 9, 10, 11, 16, 17, 18th 2008
